

THE DREAM ACT: we all have a DREAM!

**Let's all work
together before it's too late!**

**Pass the
DREAM ACT
NOW!**

ACTION

THE PROBLEM

- 12,000 undocumented students graduate from high school in Colorado each year, without the right to attend college.
- The cost of college for an undocumented student is about \$11,000 per semester compared to \$2,000 for a documented student.
- Undocumented students do NOT qualify for financial aid, scholarships, or loans.

THE SOLUTION

- Pass the DREAM ACT
- Allowing students with good moral character to continue their education.

To QUALIFY

- Show good moral character
- Have lived in the U.S. since before they were 15 years of age.
- Have been here more than five years,
- Apply for 6 years of Conditional Residency.
- Complete 2 years of college or 2 years in the military.
- After 6 years, they can apply for Permanent Residency.
